## **Save The Date!**

Native Nation Events is excited to announce the <u>Ninth Native American Leadership</u> <u>Forum - West</u> in sunny Maui, Hawaii at the Hyatt Regency Maui Resort and Spa from December 3-5, 2023!

This is a unique forum over two days combining advanced leadership training led by Jerrod Murr of Paradigm Shift. Our hands-on interactive accelerator allows participants to practice leadership thought and action in real-time. Attendees will walk away with the ability to leverage new ways of thinking, speaking, and acting and discover how that can enormously impact productivity, profitability, and overall effectiveness.

## Delivering timely and educational networking forums for over 15 years!
