## KING FREEMAN: I AM Pala Band of Mission Indians! DENTON's L/ Niece Sara Dutschke Setshwaelo May Cause Harm to Come to Me

King Freeman, former chairman of the Pala Band of Mission Indians, prior to the destruction of lives Smith, wants it to be known that *he is not a member* of the Agua Caliente Tribe of Cupeno Indians of the Pala Band of Mission Indians.

Sara Dutschke Setshwaelo  
Attorney and Niece of BIA  
Director Amy Dutschke

Here is the TEXT of the letter sent to the DENTON's LAW FIRM of San Francisco, where Sara Dutschke be defamed by Setshwaelo. We wrote about this letter referenced below: [Purported Attorney for Pala ar](#)

My name is King Freeman and I am an enrolled member of the Pala Band of Mission Indians. dated 1 September, 2015 from your office addressed to Andrew W. Twietmeyer, Attorney for the Indians. The letter was apparently written and signed by Sara Dutschke Setshwaelo, Senior MA On page 4 of this letter, Ms. Dutschke states that I am a member of the Agua Caliente Tribe. I not enrolled nor have I applied for enrollment in any tribe or band other than the tribe I am present. In the footnote of the Sara Dutschke letter, she states that I claim membership in another tribe. of your associate's letter she outlines possible ramifications for an individual possessing dual er twenty plus years as chairman or vice-chairman of the Pala Band of Mission Indians and I und confidentiality of a tribe or band's enrollment information. Given the seriousness of your assoc copies of the document or documents that Sara Dutschke referenced that caused her to conclude tribe other than the Pala Band of Mission Indians.

Ms. Dutschke's letter has the potential of causing me serious harm and I have yet to consult with you like to give you opportunity to respond before taking any sanction against Ms. Dutschke and you and to the Pala Band of Mission Indians correcting the record and an apology from your law firm Sincerely,

Why does Robert Smith want to get rid of King Freeman? If you have seen Robert Smith would understand. The new tribal constitution will change Robert's title from Chairman to else in the tribe called King and that is why he is so determined to get rid of King Freeman dream of becoming the first king of a tribe in America. He wants to issue coins with his image featuring his image as well. He visions himself as being the new King Kamehemeha. The coronation as well as all of the BIA officials, rich attorneys (for the official butt kissing The FBI will provide security for the event. The crown will be placed on Chairman Smith Dutschke. The new constitution is expected to be approved by Amy Dutschke soon so the election this year. The Executive Committee will be disbanded but they will retain their jobs

In reading King's letter I don't think he's giving anybody a second chance.. Anybody who the nicest men on the rez. Why he is continued to be targeted by the piece of crap name associate of a global law firm is starting to raise serious red flags as to why, why, why? I writing something he believes, which is ,hey if I said something untrue about you I would apology being appropriate is reflective of his old school make up. I don't read it as apolo forgotten, what's been done is done, a Dentens law firm Associate has stated her claim would tell them, ("oh, you said you were sorry? that's good enough for me"). I think the r King's demand to copies of the document/documents referenced which caused Sara Du membership. Are these documents public record? doubt it, Are these documents availal them?, doubt it. Were these documents given to Sara Dutschke by her Auntie Amy Duts documents even exist? doubt it. I hope Sara Dutschke is enjoying her last days as a bar of behavior, in some circles is know as a lawyer killer. But as long as you wrote what Re preformed well.....hahaha,NOT!

I am curious to know if Denton's Law Firm really wanted to pride itself with hiring an atto sovereignty of a tribe in favor of a corrupt leader? Is that what Denton's Law Firm wants tribal members who even the Assistant Secretary, Kevin Washburn says should be enro Sara Dutschke was before they hired her. Did they know that her aunt and she may hav deprive more than 160 Cupeno Indians of their rights from an association that is not eve know that Amy Dutschke was investigated for granting federal recognition to a tribe ther decision Amy and her relatives were added to the rolls of that tribe. I don't believe that t Denton's pride itself in being. It is time for Sara to sit down with her supervisor and tell ti originally hired by Robert Smith to develop the scheme to disenroll the Britten family. I a truth just as we are.

Now we can see if they care enough to own up or r Others maybe not so much. If there is some kind of proof it would be fraudulent or forge things go to court. We can also find out if Denton's is committed to Sara Setshwaelo or i conduct.

If a certain amount of money and brought up a written and signed complaint with pre-verified signatures on it, in secret guard. I have something to say. I want everyone to look at the census records for 1900-1906 and not on the Warner springs census or the Pala census until they were giving away free land to the Morongo / Cahuilla census. Even after all the Lugo's and I mean ALL were either in or out for years. The only Lugo not on those census records was Remijo Lugo and his family. I was born and registered as Pala to get free land. My point is if they have been in Pala for over 100 years consider them part of the tribe that's fine. Then don't go attacking another family that even more cupeno/Pala blood than your family. They should have let it be and kept enrollment the way it was. I have dug up the past and found out about their family. Re-enrollment put things back the way they were alone!! And before Palarez and others start talking about lies and so on go look at the census records. I am educated on your argument because you will not have one after looking at them.

Pete Trujillo, would you run for council member, vice chairman or Secretary? I believe all council members would be easier to get into because Robert and Teresa cannot allow an outside person to be vice chairman and especially not secretary. That person would have to be much inside tribal government. As council member you will have a vote but I'm sure they can keep you out. If you could get into vice chair or secretary that would be great for the tribe. Rob will do everything in his power to stop that and cannot let that happen. He knows your golf course, use of the jet and anything else on Pala's dime like the once good people will do.

I searched the Panchenga Blog looking for Amy Dutschke and see that she has been penalized. Is it she has not been disbarred? We tried tracing her family tree and there is not ONE viable family tree linking her relative, nothing!! Does anyone else have any information on her?
